AMSkier INSURANCE Who are we?

AMSkier is the largest direct insurer of children's camps in the country. We are a family business founded in 1920 by Abram M. Skier, followed by his son, Henry Skier and joined by his children, Jeffrey & Aimee Skier.

AMSkier is located in historic Hawley in the mountains of Northeastern Pennsylvania.

Henry Skier

Dedication to children's camps has been a cherished part of Henry's life since his years as a camper and counselor. Since then, he has committed most of his professional life to serving camps as president of AMSkier. This dedication, sincerity, and professionalism contributed to his receiving the ACA Tri-State Award in 2009.

Jeffrey Skier

The third generation of family at AMSkier, Jeffrey cherished his many years growing up at camp. After graduating from Syracuse University, he studied at the College of Insurance to hone his skills. He joined AMSkier to continue the family legacy of caring, and with his wife Johanna, has created his own legacy in his two children, Annie and Abe.

Aimee Skier

With Jeffrey, Aimee is the third generation at AMSkier. Born and raised in camp country, Honesdale, Pennsylvania, Aimee also spent many years at camp. After earning her bachelor's degree at Syracuse University and her MBA degree to follow, she joined AMSkier and continues the tradition of caring.
