AMSkier INSURANCE Broad Shoulders.

Endorsed by America's Finest Camp Directors

From the immediate help with communications to the temporary facility and later a new building, AMSkier helped us overcome a fire that destroyed our dining hall just three weeks before camp season. It does matter who insures you.

Scott Brody, Owner/Director,
Camps Kenwood and Evergreen, NH

AMSkier is far more than an insurance company. Whenever we have a difficult situation, their response is amazing. It's as if we're their only client.

David and Shelley Tager, Owners/Directors,
Indian Head Camp, PA

AMSkier has played a prominent role not just with insurance but also as part of our extended camp family. They are absolutely the best.

I got a phone call from my site manager on May 30th informing me that our dining hall, kitchen, and program room were on fire. From the moment I called AMSkier, their team was in full motion, working tirelessly to help. Without their expertise and dedication, our camp would not have been able to open this summer.

Doug Lynn, Camp Director,
Wilshire Boulevard Temple Camps, CA

It is clear that our camps are better because of our relationship with AMSkier. They are always innovative and proactive by asking, "how can we make things better".

Andrea and Scott Ralls, Founders/Owners/Directors,
Southwoods and Summer Trails Day Camp, NY

Camp Victory is a "special camp for special kids" and AMSkier has been providing much more than just insurance since day one -- they are our partners and friends.

Jamie Huntley, Executive Director,
Camp Victory, PA

The depth of involvement that AMSkier has with Camp Laurel and Laurel South far exceeds our insurance requirements and needs. They are available for us 24 hours a day, 365 days a year — and like L.L. Bean, they never close!

Keith Klein, Managing Partner,
The Laurel Camps, ME

What is unique about AMSkier is that they really become part of your team and make a personal connection that makes you feel like part of their family.
